PT - GARANTIA

Este produto tem a garantia da Empresa em relação a eventuais defeitos derivados do processo de fabrico durante 24 meses a partir da sua entrega, com extensão voluntária por parte da empresa por um período adicional de 36 meses. A data de aquisição terá de ser comprovada através de um documento de entrega ou de uma factura.

Para que esta garantia seja plenamente válida, é necessário que:

- As operações de instalação e ligação do produto à rede hidráulica tenham sido efectuadas de acordo com as indicações do Manual de Instruções de Utilização ou Instalação.
- A utilização e manutenção tenham seguido às indicações do Manual de instruções de Utilização.
- As peças de substituição utilizadas sejam exclusivamente originais.
- Assim, serão motivo de exclusão a negligência ou falta de cuidado na utilização e os erros de instalação ou qualquer outro que não se deva a defeitos de fabrico.

Durante o período de garantia, a Empresa substituirá os componentes nos quais tiver encontrado problemas de fabrico, sem encargos para o consumidor.

No caso de acabamentos de superfície especiais, tais como dourado, branco, cromado, cobre, latão envelhecido e cromado mate, existirá uma garantia de 1 ano para o acabamento e de 5 anos para os mecanismos.

A eventual reparação ou substituição de componentes do produto não prolonga a duração da presente garantia.

As peças extraíveis, cromados, peças de plástico e de esmalte, os tubos extemos e os eventuais acessórios e materiais de consumo não estão cobertos por esta garantia, excepto quando se demonstrar que têm defeitos de fabrico.

Limitação da responsabilidade: A Empresa declina qualquer responsabilidade por eventuais danos que possam sofrer pessoas, objectos ou animais como consequência da inobservância das indicações do Manual de Instruções de Utilização, especialmente quanto à instalação, uso e manutenção.

Duração da garantia: Após o período de 24 meses de duração a presente garantia convencional e a sua extensão voluntária por 36 meses, cada intervenção de reparação e/ou substituição de componentes ficará a cargo do consumidor, aplicando se as tarifas vigentes no momento.

E - GARANTÍA

Este producto está garantizado por la Empresa ante eventuales defectos derivados del proceso de frabicación durante 24 meses a partir de su entrega, con extensión voluntaria por parte de la firma por un período adicional de 36 meses. La fecha de adquisición deberá poder ser constatada mediante documento de entrega o factura.

Para que está garantia tenga plena validez, es preciso que:

- Las operaciones de instalación y conexionado del producto a la red hidráulica hayan sido efectuadas según las indicaciones del libro de instrucciones de Uso e Instalación.
- La utilización y mantenimiento hayan seguido las indicaciones del libro de instrucciones de Uso.
- Los recambios utilizados sean exclusivamente originales.
- Por consiguiente serán motivo de exclusión la negligencia o falta de cuidado en el uso y los errores de instalación o cualquier otro que no pueda achacarse a defecto de fabricación.

Durante el periodo de garantia, la Empresa reemplazará los componentes que hayan reconocido con vicios de fabricacion, sin cargos para el consumidor.

Si son acabados de superficie especiales, tales como dorado, blanco, acerado, cobre, latón envejecido y cromo mate, tedrán una garantía de 2 años en cuanto al acabado de superficie y de 5 años en los mecanismos.

La eventual reparación o sustitución de componentes del producto no extiende la duranción de la presente garantia.

Las piezas extraíbles, mandos, partes de plástico y esmalte, los tubos externos y los eventuales acessorios y materiales de consumo no quedan cubiertas por esta garantia, excepto cuando se demuestre que tengan defectos producidos de fabricación.

Limitación de la responsabilidad: La Empresa declina toda responsabilidad por eventuales daños que puedan derivar a personas, cosas o animales, como consecuencia de la in observancia de las indicaciones del libro de instrucciones de Uso y espedelmente a temas de instalación, uso y mantenimiento.

Caducidad de la grantía: Transcurrido el periodo de 24 meses de duración de la presente Garantía convencional, y la extensión voluntaria por 36 meses más, cada intervención de reparación y/o sustitución de componentes irán a cargo del consumidor, según las tarifas vigentes en el momento.

EN - WARRANTY

The Company guarantees this product against possible manufacturing defects for 24 months from its delivery, and furthermore grants a voluntary 36 month extension. The purchase date must be verifiable through the presentation of delivery note or invoice.

For this warranty to be fully valid:

- The installation and connection operations of the product to the water system must been carried out in accordance with directions in the User or installation Instructions Manual.
- Use and maintenance must have been carried out according to the directions in the User Instructions Manual.
- The spare parts must only be original ones.
- Consequently, negligence or lack of proper care during usage, installation errors or any other reason that cannot be attributed to a manufacturing related defect will be grounds for exclusion.

During the warranty period, the Company will replace components recognized as having manufacturing defects, at no cost to the consumer.

If they have special surface finishes, such as golden, white, steel, copper, aged brass and matt chrome, they will have a warranty of 1 year for the surface finish and 5 years for the mechanisms.

Possible repairs or replacements of components are not grounds for extension of the duration of this warranty.

This warranty does not cover removable parts, controls, plastic and enameled parts, the outer tubes and possible consumable accessories and materials, unless they have proven manufacturing defects.

Liability limitation: The Company assumes no liability for any possible harm or damage that may occur to individuals, objects and animals, owing to failure to comply with the directions in the User instructions Manual, particularly as regards installation, use and maintenance.

Warranty expiry: After the 24 month period of this conventional warranty and the voluntary extension for a further 36 months, each component repair and/or replacement, intervention will be paid for by the Consumer according to the current rates at that time.

FR - GARANTIE

Entreprise garantit cet article contre d'éventuels défauts de fabrication durant 24 mois à compter de sa livraison, avec une extension volontaire du fabricant por une période supplémentaire de 36 mois. La date d'acquisition devra être justifiée sur présentation du bon de livraison ou de la facture.

Pour que cette garantie soit valable, il faut que:

- Les opérations d'installation et de branchement du produit au réseau hydraulique aient été réalisées conform ément au manuel d'utilisation ou d'installation.
- L'utillisation et l'entretien aient respecté les instructions du manuel d'utilisation.
- Les pièces de rechange soient uniquement des pièces originales.
- Par conséquent, sont exclus de la garantie, la négligence ou le manque de soin lors de l'utilisation, et les erreurs d'installation ou tout autre évènement non imputable à un défaut de fabrication.

Pendant la période de garantie, l'entreprise remplacera gratuitement les éléments dont il aura admis les vices de fabrication.

S'il s'agit de finitions de surface spéciales, telles que doré, blanc, acier, cuivre, laiton vieilli et chrome mat, la garantie sera de 1 an pour la finition de surface et de 5 ans pour les mécanismes.

La réparation ou le remplacement éventuel des éléments du produit ne prolonge pas la durée de la présente garantie.

Les pièces démontables, les commandes, les pièces en plastique et émaillées, les tubes externes, les accessoires éventuels et le matériel fongible ne sont pas couverts par cette garantie, sauf s'il est démontré qu'ils présentent des défauts de fabrication.

Limitation de responsabilité: L'entreprise décline toute responsabilité pour les dommages éventuels aux personnes, choses ou animaux, provoqués par le non respect des instructions du manuel d'utilisation, notamment en ce qui concerne l'installation, l'utillsation et l'entretien.

Durée de la garantie: Après la période de 24 mois de la garantie habituelle et l'extension volontaire de 36 mois supplémentaires, toute intervention de réparation et/ou remplacement de pièces sera à la charge du client, selon les tarifs en vigueur à cette date.
